CLIENT TESTIMONIALS

“I’ve used JurisClerks for the past 12 months for legal research and writing related to litigation across the US and have always found their work to be very useful, timely, and cost-effective. They are a valuable resource”.

Joel Davis, Vice-President – Legal, Equity Residential (Chicago, IL)

“I filed both motions this afternoon and I have to tell you, I was flabbergasted with the quality of both. Please give your attorney my regards for outstanding work. The arguments were well made, the authorities compelling, and the presentation logical and extraordinarily well tied to the facts of my case. I enjoy a provocative and active motion practice but I was quite impressed that your attorney raised issues in the Suppression motion that I had not thought of. It's comforting to know that when I have a case that can benefit from supplemental work on short notice, you have attorneys who can deliver above and beyond expectations.”

Robert Perez, Esq. (Bellevue, WA)

“We’ve used JurisClerks for two years on criminal & civil cases. They recently handled a Habeas Petition to the 7th Circuit & an Illinois State Appeal for us. Their work is excellent, timely and affordable.”

Thomas More Leinenweber; Leinenweber & Baroni (Chicago, IL)

“JurisClerks handled a tricky Daubert Motion for us. I loved the product, loved the process, quick turnaround time, the price was very affordable; I’d recommend them.”

Ian G. Loveseth, Esq. (San Francisco, CA)

“We employed JurisClerks’ assistance on a Petition for Writ of Certiorari to the US Supreme Court. The issues were peculiar & unusual. We write to advise you of our extreme satisfaction with their research assistance and input. I certainly recommend JurisClerks to all our members.”

Dennis Doherty, Esq. (Chicago, IL)
